

## Author's Declaration – $\Delta$ -Indicator™ / $\Delta E^*$

Ref. Ares(2025) 8545086 – DG ENER / LIFE CET 2026

Lirim Muharemi, founder of Green AC&DC Energy™ and initiator of the One World Order Institute, hereby confirms the authorship of the conceptual framework known as  $\Delta$ -Indicator™ /  $\Delta E^*$ . This symbol represents an innovative approach to identifying the hidden difference between declared and actual energy performance in appliances and systems.

The  $\Delta$ -Indicator™ concept was established within the Green AC&DC Energy™ programme and officially referenced under the European Commission's DG ENER LIFE CET framework. Its purpose is to promote transparency, accountability, and measurable progress in global energy efficiency.

All intellectual and authorship rights remain with the undersigned in accordance with EU and Slovenian law.
